- **CE Guideline Modifications**

- Competitors will submit their pdf copy of the research poster
- Competitors will upload their materials to the **Research Poster AL Virtual SLC** event opportunity on Tallo - following the instructions outlined on the [HOSA/Tallo page](#).
- Uploads must be complete by Feb 12th. The uploaded materials are what the judges will use to score competitors.
- If you do not upload your materials, there is no content to be judged, therefore no score will be given.
- Pro Tip #1: Secondary members should practice uploading your links to Tallo prior to the Feb 12th deadline. You can upload materials to the event opportunity in Tallo, and then delete / edit / re-upload the materials up until the Feb 12th deadline.
- Pro Tip #2: Don't wait until the last day to upload! Try to upload your materials before the deadline. If something goes wrong, you have time to troubleshoot!
